PROFESSIONAL SUMMARY

Motivated and detail-oriented Bachelor of Computer Applications student graduating in May 2026, seeking Frontend Developer, Full Stack Developer, and Software Engineering Internship opportunities. Strong foundation in web development, programming, and database management, with hands-on experience building responsive applications using HTML, CSS, JavaScript, and React. Passionate about creating intuitive user experiences, writing clean code, and continuously expanding technical expertise through practical project development.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Tailwind CSS, GSAP

Programming Language: C, C++, Java, Python, PHP

Backend: Core PHP

Databases: MySQL, Oracle Database

Currently Learning: Advanced React, Modern JavaScript, Full Stack Development

PROJECTS

University Website (AI-Assisted Development) — HTML, CSS, JavaScript

- Designed and developed a modern, responsive university website featuring academic information, admissions, and campus highlights.
- Leveraged AI-assisted workflows to accelerate prototyping, frontend implementation, and UI refinement.
- Optimized responsive layouts, intuitive navigation, and cross-browser compatibility across multiple devices.
- GitHub Repository — Live Demo

EDUCATION

Bachelor of Computer Applications (BCA)

2023 – 2026

Swami Sahajanand College of Commerce & Management (SSCCM)

Maharaja Krishnakumarsinhji Bhavnagar University (MKBU), Bhavnagar
